

DIRTY SHOES BAND

ROOTS ROCK AND BLUES MUSIC
WITH A NEW ORLEANS FLAVOR

BIO

Dirty Shoes Band is a collaboration of musicians from Colorado who share a love for American roots music. As seasoned performers in a variety of musical styles, they bring their years of experience to the creation of music that draws from many different genres, blues to country, rock to jazz. The songwriting is heavily influenced by the swampy, funky tradition of New Orleans, folksy storytelling, the raw emotion of the blues, and salt-of-the-earth honesty. Their music has no expiration date.
